# Clarity Process Teacher Training

- Would you like to share your love and enthusiasm for our process with others?
- Would you like to start a practice for supporting people through individual Clarity Process sessions?
- Do you already have a practice and would you like to enhance it with bringing in the Clarity Process?
- Would you like to support people on their life journey in a way that is honest, practical and effective?

As an experienced Clarity Process practitioner, you can do a Teacher Training on giving individual sessions. Note that the training provides the Clarity Process part. In order to participate, it is advisable that you have some therapeutic or didactic education or training and/or have gained some experience in this field.

## **The training includes**

- 4 workshops with Taetske
- Giving 6 session sets
- A practice day with your peers

1<sup>st</sup> workshop: March 28-30 2025, Bergheim, Altena

2<sup>nd</sup> workshop: June 27-30 2025, Savita, Winterberg

3<sup>rd</sup> workshop: December 2025

4<sup>th</sup> workshop: March 2026

The dates of the 3<sup>rd</sup> and 4<sup>th</sup> workshop will be arranged in consultation with the participants.

## **Practice sessions**

During the Teacher Training you do practice sessions with each other and with people from your own circle.

Between the 1<sup>st</sup> and 2<sup>nd</sup> workshop you practice with each other.

After the 2<sup>nd</sup> workshop you start giving the 6 session sets. At least two with people who are new to the Clarity Process and two with people who are familiar with our process and use the tools at home. You can choose who you want to do the last two sets with.

Before the 3<sup>rd</sup> workshop you have finished 2 to 3 sets, and another 2 to 3 before the last workshop. You can finish any leftovers after the training.

A session set consists of 5 sessions plus an intake and an evaluation. After having done four sets for free, you start asking a fee.

You are expected to write a report of each session set and ask your clients for a written feedback. Both to be shared with Taetske.

## **Practice day**

Between the 2<sup>nd</sup> and 3<sup>rd</sup> workshop you organize a practice day with your peers, coming together live and/or online. Taetske will provide the structure for the day.

## **Certification**

Having completed the Clarity Process Teacher Training, you will be certified to give individual Clarity Process sessions.

## **After the Teacher Training**

After the Teacher Training, you are not left alone. You can partake in peer review, supervision and (self organized) Teacher workshops. You're expected to partake in this for at least two years after your certification.

For those interested, a follow up on giving workshops can be organized.

## **Fee**

The Teacher Training costs € 1575,- for 4 workshops and personal feedback on your practice sets. If the fee is an obstacle for participation, please contact the Dana Clarity Fund. The fee is incl. VAT and excl. travel and accommodation costs.

## **Registration**

Please register by email. Send your details, including your Clarity Process history and a motivation, to [taetske@taetske.com](mailto:taetske@taetske.com).
